ISE Newsletter - First Edition

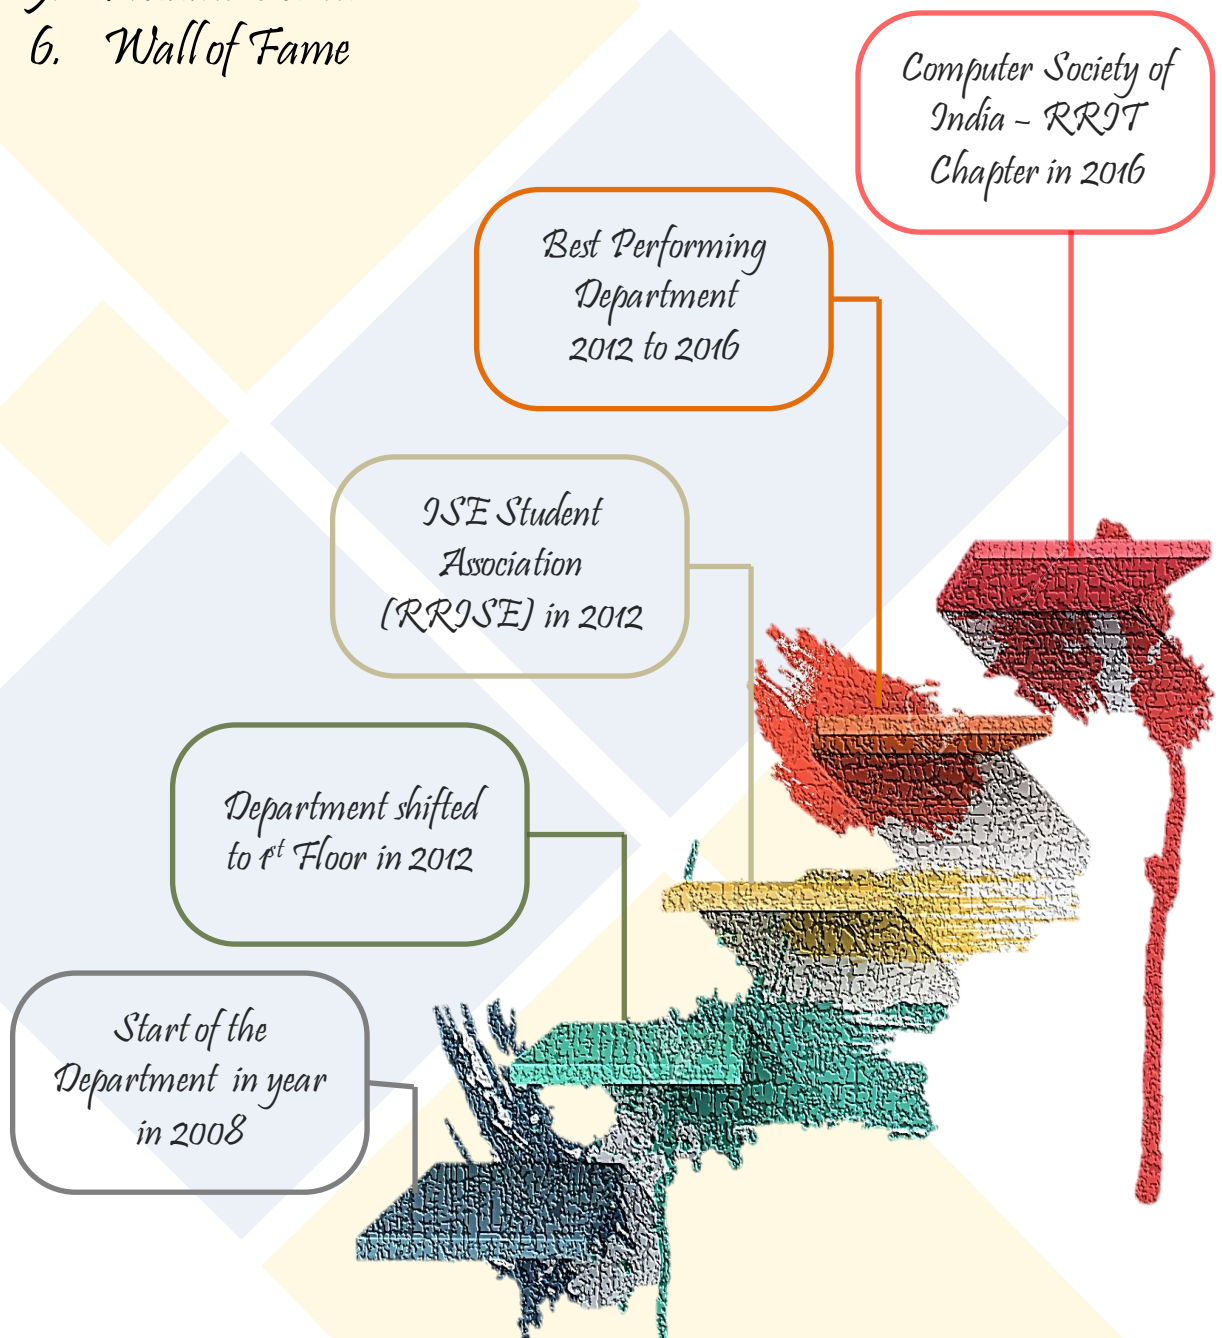

Inspire

August 2016 to December 2016

Contents

1. Message from Principal, HOD and Editor
2. About Department
3. Achievements / Events
4. Toppers - Academic Year - 2015-16
5. Hobbies Corner
6. Wall of Fame

From Principal's Desk

I am happy to know that Department of ISE has come up with 1st news letter. I wish them all the best in their future initiatives.

Dr M. S. Bhagyashekar
Principal, RRIT

From HOD's Desk

We are glad to present 1st Edition of InSpirE, the ISE Newsletter Aug - Dec 2016. Congratulations to Team InSpirE for their effort and dedication.

Dr Madhu B. K.
Prof and Head, ISE

From Editor's Desk

It is with immense pleasure and honor we are presenting 1st edition of the ISE department newsletter "InSpirE". InSpirE mirrors department activities, events and achievements. In this edition, we have tried to capture excitements from Aug 2016 to Dec 2016. I hope "InSpirE" inspires .

Prof. Swetha K. B.
Assistant Professor, ISE & Editor, InSpirE

About Department

*Ms. Tejashwini
(2016 passed out)
IT Associate,
Accenture, Chennai*

"I have learnt many things from our department. I thank all my Faculty and especially to my HOD for making my career bright and currently I am glad to inform that I am in this position because of my Department Faculty"

Brief

RRJT-ISE consistently works on research initiatives towards newer technological concepts and also in improving teaching abilities. Department of ISE is known for its best faculty, creating the best possible education, which is based on their innovative and core research. Department has been nominated as Best Performing department at RRJT for 4 consecutive academic years of 2012-13, 2013-14, 2014-15 and 2015-16

Vision

To become a provincial leader in technical education, in the field of Information Technology in the affiliated university by 2020

Mission

To seek solution to imperative global problems and educate future leaders who will make the world a better place to live by using the power and concept of engineering principles, techniques and systems.

Goals

Our key goals are to:

- 1. Prepare information professionals who demonstrate excellence in leadership, service, research and education in a technology-driven world*
- 2. Deliver world-class, research-based education to students and ICT based training to scholars from academia, industry and society*
- 3. Maintain a supportive and flexible learning environment to accommodate students individual backgrounds, needs and aspirations*
- 4. Contribute to professional, academic and public interests through consulting continuing education and leadership*

Achievements / Events

Mr. Kumar Byresh
(2015 passed out)
Software Specialist Intern,
India Software Labs,
IBM

"Dept of ISE is one of the best Dept in RRIT, there are very good teachers who are student friendly and teaches well and all the faculty members of the Dept. encourages the students to achieve success in both academics and cultural activities by giving complete support to the students"

- ✦ Dr. Priti Mishra published research paper "Enabling Efficient Data Sharing System using MAC IP(MIP) Level Intruder Filtering with Dynamic Alert and Logging System" in International Journal of Engineering Technology and Advanced Engineering, Volume 6 Issue 8 ISSN 2250-2459, in 20th Aug 2016
- ✦ CS9 - RRIT chapter and Dept. of ISE and CSE jointly organized Technical Seminar on "Recent Transitions and trends in the Cloud Space", a informative session delivered by Dr Pethuru Raj, Cloud Infrastructure Architect, IBM on 17th Sep 2016

ISE Student Association / Celebrations

Mr. Doble N. J.
(2016 passed out)
IOS developer,

BTEEM, Trivandrum

"When I finished school in my state I wanted to go to some other city and complete BE in Information Science.

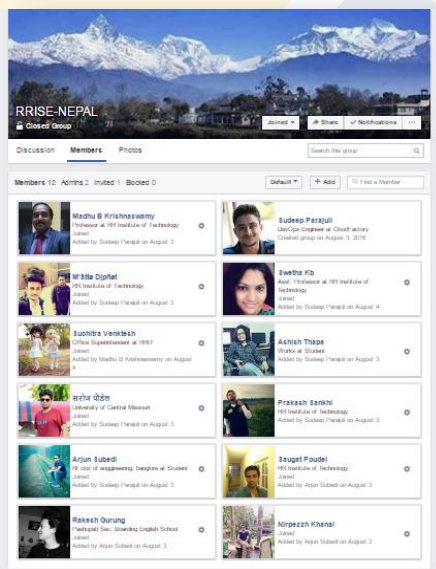

I chose Bangalore because it is safe and has a high quality of life.

It was very nice to be an RRIT'ian where I have learned not only the technical skills but also the other valuable sanctities for my personal life.

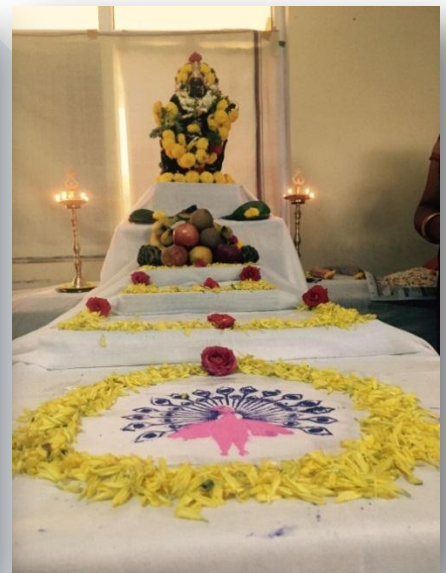

The team of professors at ISE, RRIT has always been a source of inspiration for all of us.

I will have a great gratitude to each one in the RR Institute of Technology, Bangalore for making me who I am."

✦ Technical Workshop On "Getting started, Installing and working on Cloud" in association with Jetking was organized by RRIT ISE Student Association on 04th Oct 2016. Dr. M. S. Bhagyashekar, Principal, RRIT and Chief Guest inaugurated the event. The programme gave insight on current technological advances in Cloud along with hands on sessions.
