INSPIRE- Newsletter

Department of Information Science And Engineering

Fifth Edition August-December 2018

Contents

1. Message from Principal, HOD and Editor

2. About Department

3. Departmental Focus

4. Achievements / Events

5. Congratulations Class* of 2018

6. Hobbies Corner & Faces of Excellence

7. Scrap Book

8. Upcoming Events

From Principal's Desk

*I am happy to know that **Department of ISE** has come up with **Fifth Edition** of Newsletter. I wish them all the best in their future initiatives.*

Dr Manjunatha M.B
Principal, RRIT

From HOD's Desk

*We are glad to present **5th Edition** of **InSpirE**, the **ISE Newsletter** August –December 2018. Congratulations to Team InSpirE for their effort and dedication**

Prof Emmanuel Rajarathnam
HOD, ISE

From Editor's Desk

*It is with immense pleasure and honor we are presenting **5^h edition** of the **ISE** department newsletter "**InSpirE**." InSpirE mirrors department activities, events and achievements. In this edition, we have tried to capture **Excitements** from **August to December 2018**. I hope "**InSpirE**" inspires.*

Prof. Swetha K B
Assistant Professor, ISE & Editor, InSpirE

INSPIRE-Newsletter

About Department

Brief **RRIT-ISE** consistently works on research initiatives towards newer technological concepts and also in improving teaching abilities. **Department of ISE** is known for its best faculty, creating the best possible education, which is based on their innovative and core research. Department has been nominated as Best Performing department at RRIT for 4 consecutive academic years of 2012-13, 2013-14, 2014-15 and 2015-16 and going on with its best.

Vision

To become a provincial leader in technical education, in the field of Information Technology in the affiliated university by **2020**

Mission

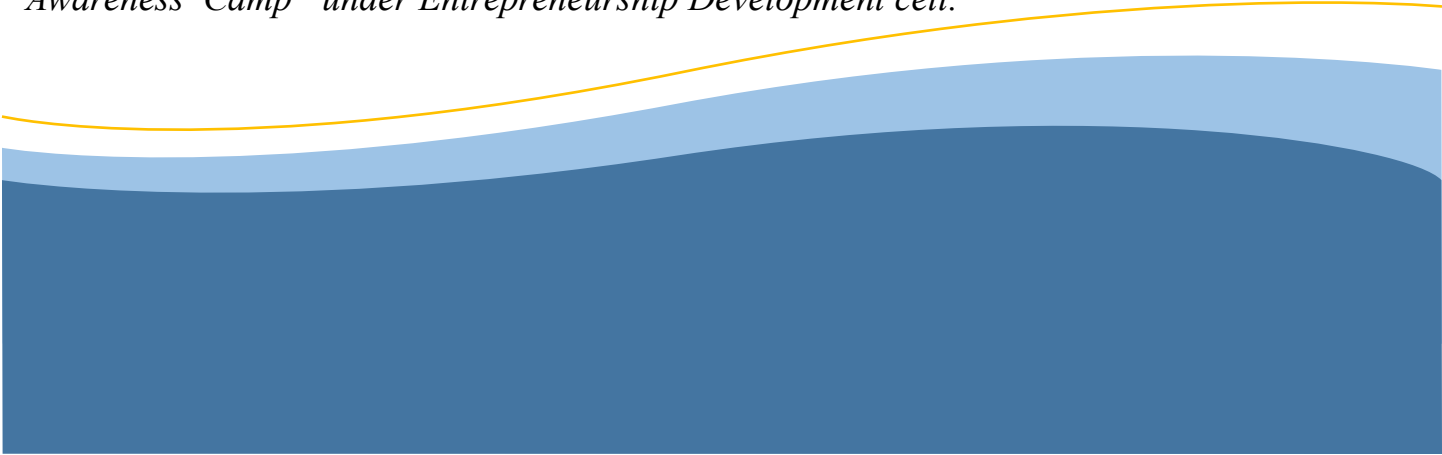

To seek solution to imperative global problems and educate future leaders who will make the world a better place to live by using the power and concept of engineering principles, techniques and systems.

Goals

1. Prepare information professionals who demonstrate excellence in leadership, service, research and education in a technology driven world
2. Deliver world-class, research-based education to students and ICT based training to scholars from academia, industry and society
3. Maintain a supportive and flexible learning environment to accommodate students individual backgrounds, needs and aspirations
4. Contribute to professional, academic and public interests through consulting continuing education and leadership
