## FROM THE PRESIDENT & VICE PRESIDENT DESK

Mr. Darshan B P  
President, RRITAA

Dear Alumni Members,

It's always a great pleasure to converse with you... We are now no more a struggling organization... There's much more in the works, so stay tuned to your inbox and to social media (we're on Facebook, Instagram) for more ways to get involved. In the meantime, mark your calendars and plan to join us for annual tailgate, which has quickly become one of the society's flagship events and a wonderful opportunity to reunite with friends and meet other alumni and students. Personal note of thanks and gratitude to few individuals without whom the society and college would not have been nearly as successful over that past year.

Provide an organizational framework for alumni and those associated with the R R Institute of Technology. Encourage & coordinate engineering alumni activities and interests. Create an ongoing relationship between engineering students and alumni so as to develop further active engineering alumni. Foster moral, spiritual and material support for RRIT and to promote the interest and affairs of this collage. As alumni who truly love and faithfully support this Association of great institution, I know you share my pride in what we are doing and where we plan to go... Stay tuned as we roll out an exciting line up of events that will extend across the country.
