7.2 Best Practice 2021-22

1. TITLE –FACULTY EMPOWERMENT

Objectives of the Practice: To make faculty members technically sound in emerging technological areas and to inculcate good values in all.

The Context: Integrate teaching, research, and developing linkages with academia and industry.

The Practice: Faculty members are encouraged to attend the conferences/ symposiums/ workshops; certification courses offered by NPTEL/SWAYAM/AICTE-ATAL.

Evidence of Success: The institute organizes International Conferences/FDP in various disciplines, faculty members get benefitted

To organize FDP, institute received fund from VGST during the year.

Problems Encountered and Resources Required:

There were initial problems in creating a robust FDP roll-out process, identifying FDP topic as per Academic-Industry need.

2. Title: PAPER PUBLICATIONS/PATENTS

Objectives of the Practice: Promoting motivation and encouragement among the students to publish their final year project work in various journals/file patents.

The Context:

This practice enhanced the students writing skill and inculcate technology thrust to bring out and publish their innovation into technical forum.

The best practices adopted in the institutions will definitely help the students to acquire honours, rewards from the society.

The Practice: The institute has initiated mandatory plagiarism check for final year project to ensure quality writing and originality.

Evidence of success; All the students project report has undergone plagiarism check before submission.

Problems Encountered and Resources Required: Since the institute has Turnitin software installed, no problems encountered to carryout plagiarism check. There were initial challenges faced by students to write quality report however the students understood the importance of originality check for paper publication and filing patents.
