Library & Information Centre

Overview:

RRIT Library is catering to the needs of the users-students and the faculty- in a blended way. Apart from the print books and the journals, the library subscribes to e-resources, digital library like National Digital Library of India (NDLI). The library functions in an automated way with ILMS called IIMS which facilitates the optimum services of the library.

Mr.PAVAN N S

Librarian

BA, BLISc, MLISc

6. The faculty members are issued 4 borrower's cards.

7. The faculties' required returning the books at the end of each semester.

8. Students are given 6 books per semester under book bank scheme.

Otherfeatures:

➢ The library has institutional repository (IR) which stores the research papers of the faculty.

➢ Process of application for borrowers' cards is done online using QR code.

➢ The library allows the users to browse the availability of books using WEBOPAC which works 24x7:

➢ The library has e-resources like general open educational resources (OER) list, list of journals in Scopus to facilitate research work by the faculty. Use of this is done by just scanning a QR code. This shows the library is going e-governance way.
