## GREETING FROM PRINCIPAL

## NEWS LETTER 2020

"I congratulate the students and staff involved in bringing out the college newsletter depicting activities on campus. The RRIT boasts of enthusiastic student community buzzing with co-curricular and extra-curricular activities. I wish them well

in all their endeavors.

**DR. SRINIVAS G BHAT**

## MESSAGE FROM HOD

Greetings to all. This odd semester induced many shocks to our lives and education system. We missed the students on the campus for a major part of the semester. Overcoming the challenges and keeping in mind the interests of the student community, we conducted online teaching and evaluation. Though adapting to sudden changes is difficult, our faculty and students put their best efforts to complete the semester successfully. I congratulate them all. This semester we conducted several training programs, SDPs, and FDPs inviting the speakers from reputed institutions like IITs and abroad. I wish the normalcy will restore soon and we will be back to physical interaction with students on the campus soon in the forthcoming even semester.

## VISION:

To become a premier department by producing technically competent Civil Engineers who can meet the needs of Industry, Society and Environment.

## MISSION:

To reinforce high skill set among students and staff through innovative teaching learning process, in site training, research, consultancy and interaction with reputed technical institutes, R & D organizations and industries with a holistic concern for ethics, environment and society.
