NEWS LETTER 2021-22

GREETING FROM PRINCIPAL

"I congratulate the students and staff involved in bringing out the Civil Department Newsletter depicting activities on campus. The RRIT Civil Department boasts of enthusiastic student community buzzing with co-curricular and extra-curricular activities. I wish them well in all their endeavors.

Dr. Mahendra K V

MESSAGE FROM HOD

Welcome to the department news letter. This semester we had 3 different schemes of VTU viz., 2015, 2017 & 2018 schemes regular classes conducted for 1st, 3rd, 5th and 8th semester. IA and assignment tests is conducted. IA tests were conducted by the respective teachers. Review of Phase-1 project by final year students successfully conducted. Students and faculties were actively participated in Annual health camp, Chairman's Meritorious test for 1st year students and Annual day Kalataranga-2022. Department also planned for next semester activities like International conference, Innovative projects and Wish you all a fruitful time ahead.

DR. G Sanakara

VISION:

TO BE A PRIMER GLOBALLY RECOGNIZED INSTITUTE WITH ENSURING ACADEMIC EXCELLENCE, INNOVATION AND FOSTERING RESEARCH IN THE FIELD OF ENGINEERING

MISSION:

1. TO CONSISTENTLY STRIVE FOR ACADEMIC EXCELLENCE
2. TO PROMOTE COLLABORATIVE RESEARCH & INNOVATION
3. TO CREATE HOLISTIC TEACHING LEARNING ENVIRONMENT THAT BUILD ETHICALLY SOUND MANPOWER WHO CONTRIBUTE TO THE STAKE HOLDER OPERATING AT GLOBAL ENVIRONMENT

EDITORIAL STAFF:

Dr G Sankara
Professor & HOD

Mr. Girish G
Assistant Professor

EDITORIAL STENTS

Mr. Ramandeep
4th year Student

Ms. Ramya T L
3rd Year Student

Mr Avishek Kumar Sha
3rd Year Student

ORIENTATION PROGRAM

Civil Engineering Department organized online orientation program to 3th, 5th and 7th semester students. DR.G Sanakara, HOD of Civil Department Inaugurated the program & spoke about different activities in civil Engineering. Final Year Students were informed to use laboratories for their project completion if is necessary.

Faculty Recognition

1. Following faculties got cent percent result during year of 2021-22 . Dr. Jagadeesh Kumar B G, Prof. Ranganathan B A, Prof. Shilpa B R
2. Welcomes to new faculty member to the department for the year 2021-22 Prof. Jayadeep K S, Prof. Prof. Abhishek, Prof . Veerabhadra Gowda P Patil, Prof. Meenakshi K S, Prof. Sushma R K.
3. Successful completion of VGST (Vision Group on Science and Technology) selected RRIT Civil Department for conducting Faculty Development Programme on “Sustainability Development”. About 80 Faculties were participated from different institutions and were facilitated with appreciation certificate for participation.
3. About 6 Companies were signed for Memorandum of Understanding (MOU) with department facilitating training and research work for the students in Civil engineering. Construction Industry Construction Management and Training Institute (CMTI-Bengaluru), SHIKHAR Building and Contractors-, Reliable Consultant and Constructions Amare Gouda Design & Building Pvt. Ltd. and Akrtuthi Engineers and Builders.
4. RRIT got Life time educational Institute Membership of Association of Consulting Civil Engineers (ACCE) under the coordination of Prof. Ravi Patil on 10th Feb 2022.
5. Faculties applied 5 VGST , 6 KSCST, 1 DSC Project

Students Recognition

1. Final year students were successfully completed their Professional Practice as Interns in their interested area in Civil Engineering Demine. Participation and Appreciation letter were issued by reputed construction and other companies.
2. Students and Faculty of Department was participated in Walkathon organized by ACCE to Create awareness in the society about Civil Engineering Profession. Prof. Ravi Patil lead about 19 students from all 3 academic year on 25th Nov 2022

FACULTY AND STUDENT DEVELOPMENT PROGRAM

Students to be more effective in leading meaningful, productive and balanced lives. and helps them to develop life skills. Civil Department organized FDP and SDP programs listed below:

- SDP on Course “Strength of Materials for 3rd Sem
Topic: “Compound stresses and its effects” Date: 21/03/2022
Venue: CAD Lab Civil Block. Speaker R Sridhar , Professor, Department of civil Engineering, SJB Institute of Technology, Bengaluru.

- Workshop on Course “Fluid Mechanics” for 3rd sem
Topic: “Practical Applications of Fluid Kinematics” D Date: 28/03/2022
Venue: Room No 205 Civil Block RRIT ,
Speaker: Sreedevi R, Assistant Professor, Department of Civil Engineering, East West Institute Of Technology, Bengaluru

VGST Sponsored 4 day Faculty Development Programme
