Message from HOD

The odd semester of 2018-19 had been a very beautiful time for the department of civil engineering. I am pleased to inform that our Institution was granted B+ in the first cycle of accreditation by NAAC for next Five Years. Looking ahead we are planning several technical activities. We are trying to provide more facilities to staff and students. Our department conducted Internal Examination for all branches. We are planning to complete Internship placements by March for VI semester students. Department is organizing group discussions for all branches as part of placement activities.
