INSPIRE – NEWS LETTER

VOLUME 4 ISSUE 2 2019-2020 Even

FROM THE PRINCIPAL DESK

“We cannot always build the future for our youth, but we can build our youth for the future.” Season’s Greetings to you! At RRIT, the students are made industry ready by imparting the skill sets that are required to be employed in multi-nationals. All the students are encouraged to participate in at least one curricular.

Dr. Srinivas G Bhatt
Principal, RRIT

ABOUT THE DEPARTMENT

The Department of Information Science and Engineering was established in the year 2008 from the inception of the college.

VISION

To emerge as an excellent technical center of ISE in National level within 2020.

MISSION

- To provide a conceptual foundation that caters the career required to adapt for changing technology.
- To bridge the gap between academic and the latest tools, technologies in the area of hardware and software.
- To create co-curricular opportunities for student’s participation in advancements and recent trends.
- To explore the potential and train the students to attain novelty

FROM HOD’S DESK

It is incredible joy to head the department of Information Science & Engineering at RR Institute of Technology. Research collaboration is essential for engineering as solutions so often involve the successful integration of technical, industrial, administrative and social systems
